Please Note:

If there are multiple panels, Please indicate with letters A,B,C etc in left to right order

The Shower panel will be cut to exact measurements written in this template.

Please make sure they are accurate.

Remember to deduct any allowances as incorrect measurements will result in bad fitting of panels.

Mark any cutouts required on this template.

For Guidance, refer to our information guides on our website or get in contact with us.

Please make all measurements are in Millimeters (mm)
